Do you want a career with purpose? The Education Pioneers Analyst Fellowship offers talented data-savvy professionals the opportunity to make a real impact by applying your analytical skills to consult on mission-critical projects in the education sector. You do high-impact work with school districts, edtech startups, education venture funds, and other leading education organizations, and complement that experience with leadership development and career support to unleash your potential to transform education.

**FELLOWSHIP FEATURES**

**High-Impact Work Experience**
- Mission-critical, data-driven project serving education organizations, students, and families
- Supervision and management by an experienced education leader
- $45,000 for 10 months, plus health benefits ($54,000 annualized)

**Leadership Development**
- Five convenings—signature professional development workshops where you grow your knowledge of the education sector, professional skills, and network (each 2-3 days long)
- Community impact projects

**Career Support**
- Networking opportunities with a diverse cohort of peers
- Access to a growing nationwide network of education leaders
- Career coaching and support in finding full-time opportunities in the education sector

**QUALIFICATIONS**
- Professional experience with analyzing data to solve problems and initiate change
- One year of full-time work experience by September 2015 (excluding undergraduate summer work)
- Bachelor’s degree with a demonstrated track record of academic excellence and leadership
- Strong proficiency in Microsoft Excel
- Commitment to the 10-month program, including participating in all mandatory events and convenings
- Authorization to work in the United States (*international students are eligible only if visa assistance is not required*)

**WHAT WE LOOK FOR**

Stand out during the application process by showing us:
- Passion for improving opportunities for students and helping achieve educational equity
- Ability to learn quickly and contribute in a new organization, adapt to changing environments, and drive results
- Commitment to Education Pioneers’ mission and core values of courage, optimism, collaboration, and action
- Professional experience in performance management, operations, financial analysis, or strategic planning

**APPLICATION DEADLINE**

For consideration for the 2015-2016 Analyst Fellowship, apply online at www.educationpioneers.org by May 1, 2015.

Education Pioneers expects to place 115 Analyst Fellows for the 2015-2016 Fellowship term.

It is critical for leaders in urban education to reflect the urban communities they serve. Education Pioneers actively recruits people of color for our Fellowship programs. We support equal opportunity for all people and strongly encourage people of color to apply to our Fellowship programs.
